

“I have reread your entire script and find it very good indeed. It is moving and also fresh – new, not solely because of your diction, which is colloquial without being smart-aleck, but rather because of the juxtapositions you make, which produce the effect of a fifth gospel...” —Jacques Barzun, letter to the author, July 22, 1980

“Beautifully written. The freshest commentary on the Gospels I’ve read in many years. God bless the author.” —Mark Ailing ( @UncleFlapjacks ), Twitter, December 16, 2017
